Scavenger Hunt
IN THE CITY
Find scavenger hunt items, sing a song, read some books and have fun learning together.

**THINGS TO LOOK FOR**
- Something red
- A sign with the letter “A” on it
- A recycling bin
- 10 blades of grass
- A mailbox
- A bus
- A bicycle
- A blue car

**Rhyme “The Elevator Song”**
Oh, the city is big and the city is grand
(stretch arms wide then stretch hands high)
There are lots of people living on a little bit of land
(pinch fingers close together)
And we live way up on the 57th floor (point up)
And this is what we do when we go out the door
(pretend to open a door)
We take the elevator up (reach arms up)
We take the elevator down (reach arms down)
We take the elevator up
We take the elevator down
We take the elevator up
And then we turn around (turn around)

**Literacy Tip**
Make letters, words, and sounds part of your everyday activities. You could say, “I see something that begins with the same letter (or sound) as your name. Do you see it?” or “Do you see the ‘Stop’ sign? What should we do?” Try applying these same strategies when reading books together. For example, ask your child to find a familiar letter or word on the page.
