**Did You Know?**

The City of Victoria has the tallest building on Vancouver Island. It has 25 storeys and it’s 85 meters tall – that’s as tall as 12 orcas in a row!

Answer: The Hudson Place One on Herald Street

**Rhyme “The Elevator Song”**

Sung to the tune of *Do Your Ears Hang Low*

Oh, the city is great and the city is grand.
(stretch arms wide then stretch hands high)

With a lot of tall buildings on a tiny piece of land.
(pinch fingers close together)

And we live way up on the twenty-fifth floor. (point up)

And this is what we do when we go out the door.
(pretend to open a door)

We take the elevator up we take the elevator down.
(reach arms up and then reach down to the ground; repeat this three times)

And then we turn around. (turn around)
